## **Abdulelah Ben Abdullah Al Noghamshi**

### **Message From CEO**

The success and eminence of one man extended to be transformed into the dream of many. "We are Family" and together we make the difference. The lifeline of Al Noghamshi is our people and nothing is more important than our integrity. We strive to accomplish our dreams, vision and goals to get better, bigger, faster and stronger in the future. We strongly believe that coming together is a beginning, keeping together is a progress and working together is a success. Our focus is to maintain the credibility and vigorously to protect the reputation we have gained over 60 years through diligence, dedication and total commitment to our clients using the most advanced technologies in pursuit of continued client satisfaction.

مؤسسة عبد الله بن عبد الله النغامشي منذ عام 1963، هي شركة خاصة متقدمة في مجال المقاولين من الباطن وموردي مواد البناء بالجملة مع أكثر من 60 عاماً من الخبرة في قطاع البناء والسياج الشبكي السلكي. في هذه السنوات، قامت الشركة بتوسيع تجارتها وبالتالي التركيز على الجوانب المختلفة في عالم البناء. مع الإنجازات المتزايدة من خلال الانتباه في العمل ونتائج الجودة المتنسقة؛ تعان الشركة عن تقديرها القيم في المملكة العربية السعودية ودول مجلس التعاون الخليجي.

## About Us

The **COMPANY ABDULELAH BEN ABDULLAH AL NOGHAMSHI EST. SINCE 1963** a private company rooted in the Sub Contractor & Building Construction Materials wholesales Suppliers with more than 60 years of experience in the building and Wire Mesh Fencing sector. In these years, the company has expanded its trade hence focusing on various aspects in the construction world. With mounting achievements through discipline workmanship and consistent quality results; the company proclaims a valuable recognition in Kingdom of Saudi Arabia and GCC.

We have expertise that has made us an industry leader in the Kingdom, and we have shared that expertise with other organizations that require foundation engineering works for their own projects. We are experts in backfilling and compaction, excavation of soil and rocks through blasting or chemical materials, leveling and ground finishing works.

The expertise and knowledge of our workforce has ensured timely completion and the highest quality across all our projects. Our mix of an extremely skilled workforce and the latest technology ensures that we set the perfect foundation for any structure. We have constructed structures for public institutions, ministries, local authorities and private establishments, and have experience of

ABDULELAH BEN ABDULLAH AL NOGHAMSHI EST. SINCE 1963

## AIMS

Our target is to bring quality into the Construction Industry by focusing on development and research by using latest and effective methods in construction and investing on the most effective, efficient and evident technology. We aim to expand and develop our methods of construction in order to meet the demands of our clients with low prices and quality work.

## VISION

To become the destination for all building and construction materials requirements in Saudi Arabia.

## MISSION

To provide customers with the largest range of building & construction materials in Saudi Arabia at the right value and provide professional building material advisory, customer-centric performance and support to the industry - To develop innovative & high impact products and solutions that create value for our customers - To provide affordable pricing & top-notch quality service to meet the demands of the market

## Company Concept

The effective and long-lasting construction of any space and structure is heavily dependent upon the supplies used. For the best results, you need to work with a building materials company in Riyadh that can provide you with world class supplies to fulfil the requirements of your construction project – and that is just what Al Noghamshi can help you out with!

As the leading building materials supplier in Riyadh, we assure our clients to deliver top of the line products to address all of your construction needs. Ever since we began our operations in 1963, we have strived hard to establish our position in the region, and achieved success in becoming renowned as the region's leading building materials suppliers in Riyadh in just over two decades.
