خادم الحرمين الشريفين الملك

My primary goal is to be an exemplary and leading nation in all aspects, and i will work with you in achieving this endeavour.

Life is too short, and a lot of things can happen,
and I am really keen to see it with my own eyes
and that is why I am in a hurry.

Chairman Message

He earned a bachelor's degree in civil engineering from King Abdulaziz University in 1995. In addition to his role at Al-Masar Al-Hadeeth, Eng.

Mohsen Al- Saqour holds the position of Chairman on the board of directors for several other companies, including: Al-Masar Al-Hadeeth for Cement Products, a specialized construction products company with branches in Riyadh, Tabuk, Jazan, and Najran.

He has also been associated with Complete Delivery Trading and Contracting Company since 2018.

Who We Are

Colors is a creative fabrication company based in Saudi Arabia.

We work with wood, steel, paint, printing, and sculpting to bring ideas to life whether it's a booth for an event, a large decorative piece, or a custom-built structure.

We believe in blending craftsmanship with creativity. Our team is made up of makers, designers, welders, carpenters, painters, and sculptors who enjoy building things that people can see, touch, and experience.

As Saudi Arabia's events and entertainment sector continues to grow under Vision 2030, our role is simple to help brands, organizers, and agencies turn their visions into reality smoothly, beautifully, and on time.

Our Vision & Mission

To be one of the most trusted and creative fabrication partners in Saudi Arabia, supporting the growth of events, culture, and entertainment.

To create reliable, high quality builds that make events and spaces more memorable, using craftsmanship, teamwork, and practical problem solving.

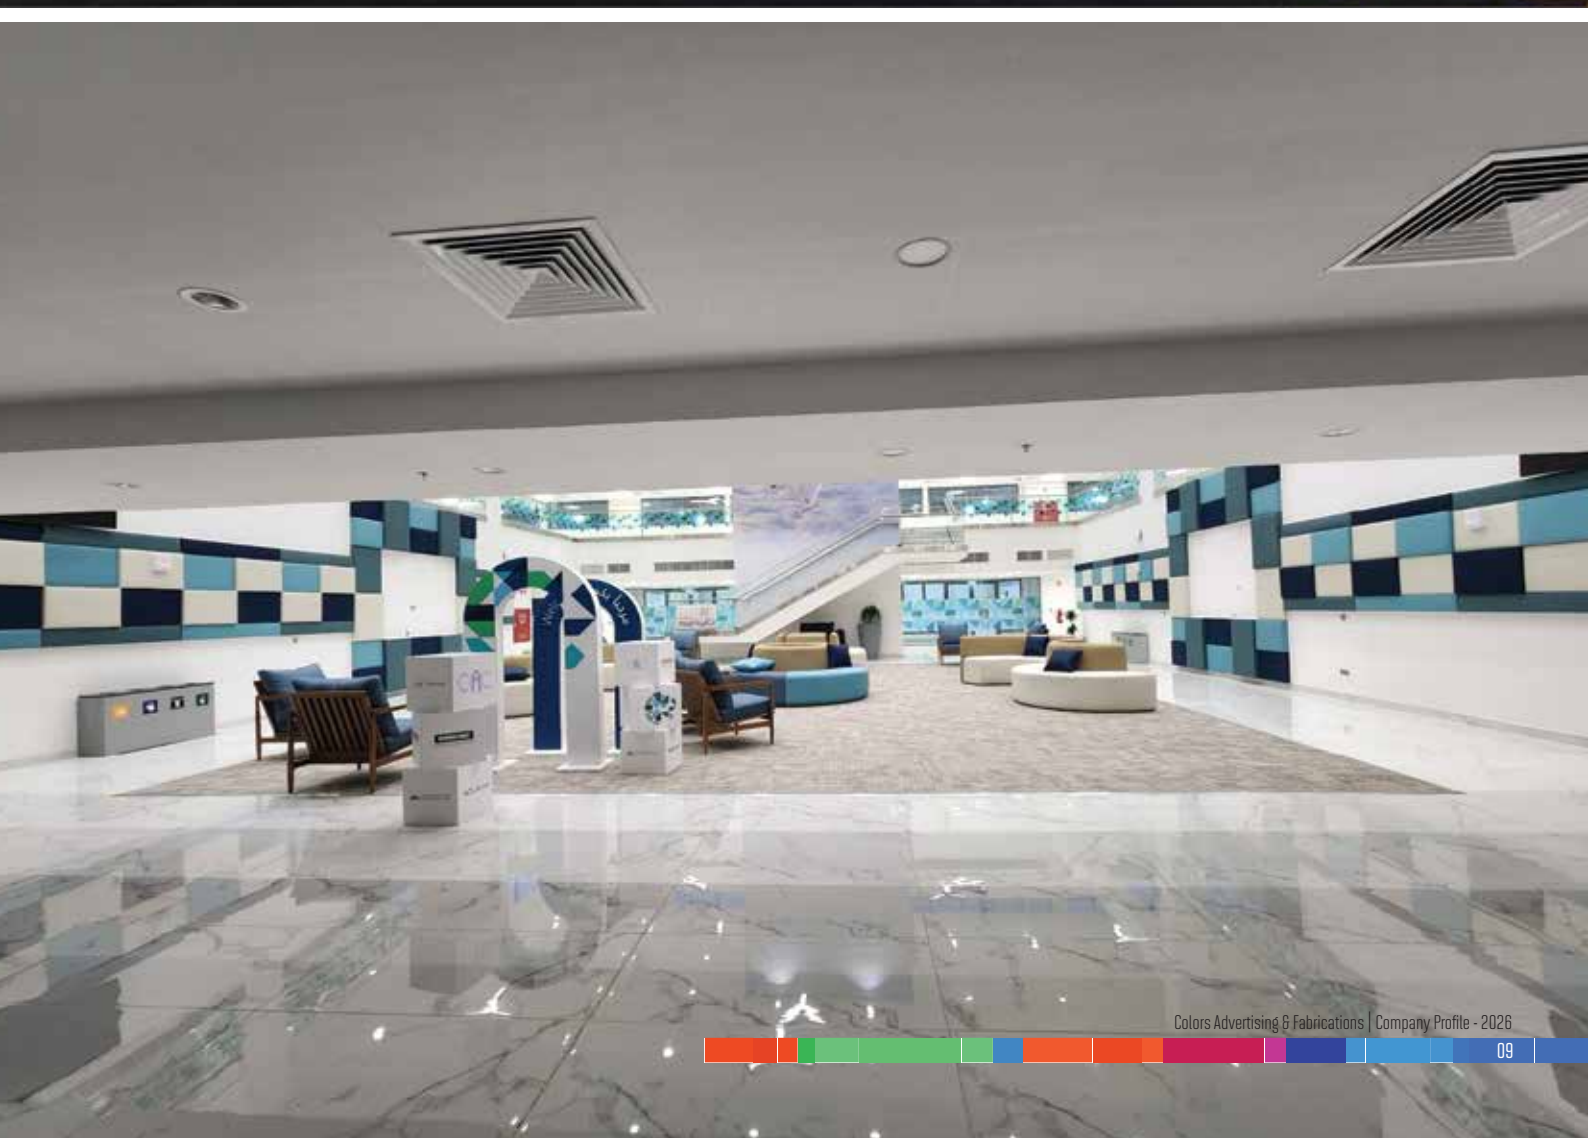

Quality Craftsmanship
We are committed to delivering precise, durable, and high quality fabrication in every project.

Creativity & Innovation
We turn ideas into reality with smart, practical, and creative solutions that elevate every space and event.

Teamwork & Collaboration
We believe the best outcomes come from strong cooperation, both within our team and with our clients and partners.

Steel Fabrications

From steel frames to custom metal structures, we design and weld pieces that add strength, safety, and stability to any project.

Our metal team handles cutting, bending, welding, and finishing with attention to detail.

COLORS
ADVERTISING & FABRICATION

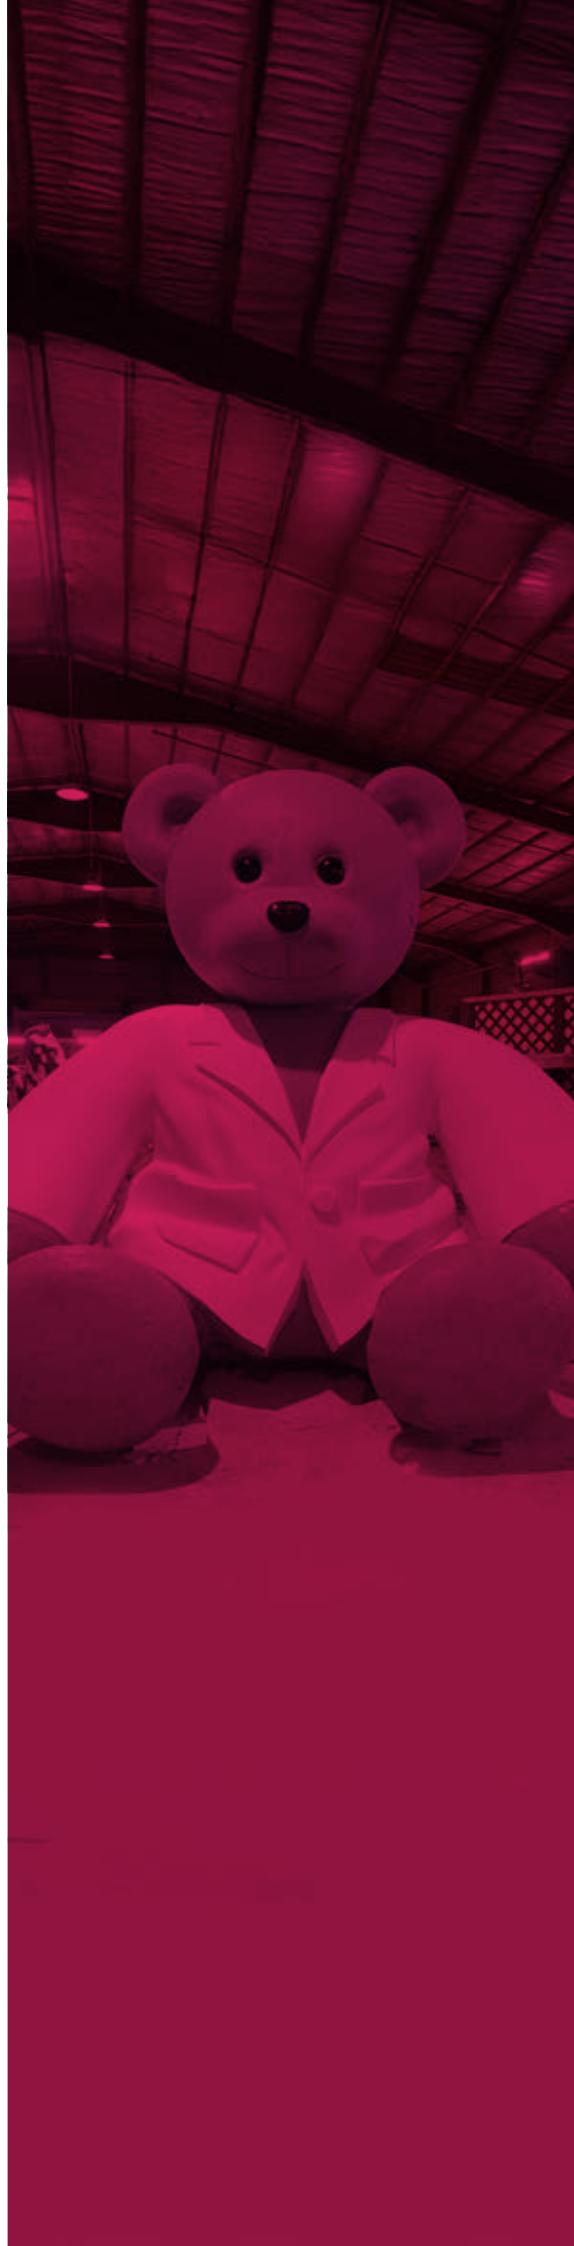

Sculpting

We create large props, themed pieces, characters, 3D logos, and decorative elements for events and entertainment shows.

Our artists shape, carve, coat, and paint the pieces to look impressive, lightweight, and durable.

Printing / CNC

A project isn't complete without the right finish. We offer high quality paintwork matte, glossy, textured, metallic, or custom colors.

Our controlled painting setup ensures smooth, long lasting results on wood, metal, or sculpted pieces.
